INTRODUCTION

Dear Citizen:

This manual is designed to assist citizens to exercise their constitutional rights of initiative and referendum.

An "Initiative" is a measure proposed by petition of eligible electors to amend or add to the Colorado Constitution or the Colorado Statutes.

A "Referendum" refers to the right of eligible electors to require by petition that an act or part of an act passed by the General Assembly be submitted to the voters at the next general election. A referendum petition must be filed within ninety days after the final adjournment of the session of the General Assembly that passed the bill on which the referendum is demanded. A referendum petition may not be filed against appropriations for the support and maintenance of state agencies and institutions or against legislative acts that contain a "safety clause" declaring that the act is "necessary for the immediate preservation of public peace, health, or safety."

I am committed to ensuring that the constitutional and statutory provisions governing the initiative and referendum process are carried out fairly and efficiently. It is my hope that the basic guidelines in this manual will be helpful to you. The Elections staff of this office is available to assist you by responding to any procedural questions that you may have. However, the applicable provisions of the Constitution and Statutes should always be consulted, and you are encouraged to seek legal counsel at the beginning and throughout the duration of the initiative and referendum process.

Sincerely,

Donetta Davidson

GUIDELINES FOR INITIATIVE AND REFERENDUM PROCESS

The initiative process is complex and lengthy, but can be accomplished within a reasonable period of time if particular attention is paid to the requirements of each applicable statute and the Colorado Constitution. There are several sections of the law that demand careful attention while planning to place a statewide initiative on the ballot.

This document outlines the various steps in the initiative process. For more detailed information please look to Article V, Section 1 of the Colorado Constitution and Title 1, Articles 40 and 41 of the Colorado Revised Statutes.

A. REVIEW AND COMMENT MEETING (Colorado Constitution, Article V, Section 1(5); CRS 1-40-104; CRS 1-40-105)

Any person interested in placing a constitutional amendment or law on the statewide ballot must begin by creating the initial language of their measure. As outlined in statute, the proposal should be written in plain, non-technical language, using words with common and everyday meaning understandable to the average reader. When the proponents of the measure have completed their typewritten draft, the text is then submitted to the Legislative Council Staff so that a review and comment meeting may be scheduled. Proposals may be submitted in person, by mail, by fax, or by e-mail to:

Kirk Mlinek, Director
Colorado Legislative Council Staff
Room 029
State Capitol Building
Denver, Colorado 80203
Phone: 303-866-3521
Fax: 303-866-3855
E-mail: lcs.ga@state.co.us

Proposals must include the names and addresses of two people who will act as proponents for the measure. Telephone numbers, fax numbers, and/or e-mail addresses are also appreciated.

Upon receipt of the draft language of the petition, the Legislative Council Staff will number the proposed initiative and schedule a public meeting two weeks from the date of filing. The purpose of the review and comment meeting is to review the language of the initiative to ensure that the measure accomplishes the proponents' intent and to give public notice that a proposal is under consideration. The Office of Legislative Legal Services and Legislative Council Staff prepare written comments of each proposal that are discussed at the meeting.

After the public meeting, but before submission to the Secretary of State, proponents may amend the proposed initiative based on some or all of the comments made by the directors of the Legislative Council Staff and Office of Legislative Legal Services. If substantial amendments to the draft are made, other than amendments in direct response to the comments of the directors, proponents must

resubmit a new draft of the measure to the Legislative Council Staff for another review and comment hearing.

The Legislative Council Staff provides more detailed information concerning the review and comment process. Please consult the General Assembly's web page (accessible from the State's web page at www.colorado.gov) or contact the Legislative Council Staff at 303-866-3521.

B. FILING THE TEXT WITH THE SECRETARY OF STATE (CRS 1-40-104 and 1-40-105(4))

Proponents may file with the Secretary of State if changes were made in direct response to the comments of the directors at the review and comment meeting. The following documents must be submitted to the Secretary of State: (1) the original typewritten draft submitted for a review and comment hearing, (2) the amended draft with changes highlighted, and (3) the original typewritten draft which has the final language for printing of the proposed initiative. If no changes were made to the text after the review and comment hearing, proponents must submit the text along with a letter from the Legislative Council Staff stating that an additional review and comment meeting is not necessary. Proposals are filed with:

Donetta Davidson
Secretary of State
1560 Broadway, Suite 200
Denver, Colorado 80202
Phone: 393-894-2200, press 3

At the time of filing, proponents must designate the names and addresses of at least two persons to whom all notices or information concerning the initiative are to be mailed. Phone numbers, fax numbers and e-mail addresses for the designated representatives are necessary so that the proponents may be contacted on all matters related to the proposed initiative.

C. TITLE BOARD HEARING (Colorado Constitution, Article V, Section 1(5.5); CRS 1-40-106 AND 1-40-106.5)

The Title Board will hold public hearings on the first and third Wednesdays of each month. The first hearing of the Title Board is scheduled for the 1st Wednesday in December after the election and the last hearing of the Title Board will be no later than the third Wednesday in May in the year in which the measure is to be placed on the ballot. For the draft to be considered at such hearings, **it must be filed by 3:00 p.m. on the 12th day prior to the hearing** at which the draft is to be considered by the Title Board.

The Title Board will first determine if the measure satisfies the single subject requirements of Article V, Section 1(5.5) of the Colorado Constitution and C.R.S. 1-40-106.5. If it does, the Title Board will then set a title, ballot title, and submission clause.

In setting a title, the Title Board considers public confusion that might be caused by any misleading titles and, whenever practical, avoids titles for which the general understanding of the effect of a

“yes” or “no” vote will be unclear. Additionally, the Title Board must set a title that correctly and fairly expresses the true intent and meaning of the measure, and that clearly expresses a single subject.

To facilitate the creation of the ballot title the Title Board may use a staff draft created by Legislative Legal Services. The staff draft is distributed by the Secretary of State’s Office before the meeting so that interested parties have a chance to view it.

After the titles have been set, the Secretary of State will deliver the final results for the proposed law or constitutional amendment to the designated contacts.

D. MOTION FOR REHEARING (CRS 1-40-107)

The proponents or any registered elector who is not satisfied with the titles and submission clause provided by the Title Board may file a motion for rehearing with the Secretary of State within 7 days of the titles being set. The motion for rehearing will be held at the next regularly scheduled meeting of the Title Board. However, if the titles and summary were set at the last meeting in May, the rehearing must be held within forty-eight hours of the expiration of the 7-day period to file motions. The motion must specifically outline the problems with the titles and submission clause and/or the rulings of the Title Board.

E. FILING WITH THE SUPREME COURT (CRS 1-40-107(2))

Any person who filed a motion for rehearing and is not satisfied with the rulings of the Title Board, may file an appeal with the Colorado Supreme Court. The Secretary of State will furnish such person, upon request, a certified copy of the initiative with the titles and submission clause of the proposed law or constitutional amendment, and a certified copy of the motion for rehearing and the ruling thereon.

The first certified copies required by the Supreme Court will be provided to the protestor at no charge. If filed with the clerk of the Supreme Court within 5 days thereafter, the matter will be docketed and placed at the head of the calendar and disposed of summarily, either affirming the action of the Title Board or reversing it. If the decision of the Title Board is reversed, the court will remand it with instructions for the Title Board.

F. PREPARATION OF PETITION SECTIONS FOR CIRCULATION (CRS 1-40-110)

No petition is to be printed, published or otherwise circulated unless the form and the first printer’s proof of the petition have been approved by the Secretary of State. No petition format will receive final approval by the Secretary of State’s Office until after the 7 days have passed to file a motion for rehearing with the Title Board. At that point, if no motion for rehearing is filed, the Secretary of State will approve or disapprove the petition format within forty-eight hours. If a motion for

rehearing is filed, then the petition format will not receive final approval by the Secretary of State's Office until after the final decision of the Title Board.

Each petition section must be serially pre-numbered prior to circulation. A petition section must include the following:

- The WARNING at the top of each page
- The names and mailing addresses of two persons who represent the signers
- The title, ballot title and submission clause, and the proposed measure
- Succeeding pages must contain the warning, ballot title and submission clause, as well as ruled lines numbered consecutively for the registered elector's signature
- An affidavit page signed by the petition circulator

Each registered elector signature page must include the following:

- The WARNING at the top of each page
- The ballot title and submission clause below the warning
- Spaces for the signature and printed name of each signer
- Spaces for the signer's residence address (including number and street) and city or town
- Spaces for the signer's county
- Spaces for the specific date and year of signing for each signer

G. CIRCULATION OF PETITION - GATHERING SIGNATURES (CRS 1-1-104 (35); CRS 1-40-111; CRS 12-55-110 (2))

All signatures on a petition must be those of registered electors, in accordance with CRS 1-1-104 (35) and 1-40-111 (1). In addition, a notarized affidavit shall be attached to each petition section as outlined in CRS 1-40-111 (2). Any person who has signed the petition section cannot act as the notary public for the circulator affidavit (CRS 12-55-110 (2)).

PETITION REPRESENTATIVES AND CIRCULATORS SHOULD REVIEW TITLE 1, ARTICLE 40 OF THE COLORADO REVISED STATUTES AND THE INSTRUCTIONS OUTLINED IN THIS MANUAL.

Any disassembly of a section of the petition, which has the effect of separating the affidavit from the signatures, will render that section of the petition invalid. Additionally, any signature added to a section of a petition after the affidavit has been executed will be invalid.

If a registered elector is physically disabled or illiterate and wishes to sign the petition, the elector may do so by signing his or her name or making his or her mark in the signature area; any person except the circulator may assist the elector by completing the remaining information required.

The person providing assistance must sign his or her name and address and must state that such assistance was given to the disabled or illiterate elector.

H. REQUIREMENTS RELATING TO PETITION CIRCULATORS - *BUCKLEY v. AMERICAN CONSTITUTIONAL LAW FOUNDATION, INC.*

As this manual is provided as a guide for preparing and conducting a successful initiative campaign, the office of the Secretary of State offers the following information relating to petition circulators in light of the United States Supreme Court decision in *Buckley v. American Constitutional Law Foundation, Inc.* 520 U.S. 182, 199 S.Ct. 636(1999).

Based on the advice of the Department of State's legal counsel, this office believes that the effect of the *Buckley* case is to invalidate certain statutory language in this section (1-40-112 and 1-40-121 C.R.S.) as follows:

*** 1-40-112 Circulators – requirements.** (1) No section of a petition for any initiative or referendum measure shall be circulated by any person who is not a ~~registered~~-elector and at least eighteen years of age at the time the section is circulated.

~~(2)(a) All circulators who are not to be paid for circulating petitions concerning ballot issues shall display an identification badge that includes the words “VOLUNTEER CIRCULATOR” in bold faced type which is clearly legible and the circulator’s and the circulators name.~~

~~(b) All circulators who are to be paid for circulating petitions concerning ballot issues shall display an identification badge that includes the words “PAID CIRCULATOR” in bold faced type which is clearly legible, the circulator’s name, and the name and telephone number of the individual employing the circulator.~~

**** 1-40-121 Receiving money to circulate petitions – filing.** (1) The proponents of the petition shall file with the official who receives filings under the “Fair Campaign Practices Act”, article 45 of this title, for the election ~~the name, address, and county of voter registration of all circulators who were paid to circulate any section of the petition, the amount paid per signature, and the total amount paid to each circulator.~~ The filing shall be ~~made at the same time the petition is filed with the secretary of state.~~ Any payment made to circulators is an expenditure under article 45 of this title.

~~(2) The proponents of the petition shall sign and file monthly reports with the secretary of state, due ten days after the last day of the month in which petitions are circulated on behalf of the proponents by paid circulators, Monthly reports shall set forth the following:~~

- ~~(a) The names of the proponents;~~
- ~~(b) The name and the residential and business addresses of each of the paid circulators;~~
- ~~(c) The name of the proposed ballot measure for which petitions are being circulated by paid circulators; and~~
- ~~(d) The amount of money paid and owed to each paid circulator for petition circulation during the month in question.~~

* As a result, we believe that circulators must still be “electors” (18 years of age or older, residents of the State, and United States citizens).

** Filing and reporting requirements for issue committees are found in Article XXVIII, Colorado Constitution; Title 1, Article 45, Colorado Revised Statutes; and Secretary of State Rules concerning Campaign and Political Finance.

I. FILING THE PETITION FOR VERIFICATION OF SIGNATURES
(CRS 1-40-107; CRS 1-40-108(1))

To be placed on the ballot, a petition must receive five percent of the total votes cast for all candidates for the Office of Secretary of State at the previous general election.

Initiative petitions must be filed with the Secretary of State within 6 months from the date of the final language set by the Title Board as stated in CRS 1-40-107, except that no petition may be filed less than 3 months before the election. ALL INITIATIVE PETITIONS MUST BE FILED BY 3 P.M. ON THE DAY OF FILING.

If the initiative language is appealed to the Colorado Supreme Court, signatures may be collected during the appeal process, HOWEVER, if the court decision includes changes in the wording of the initiative titles, the signatures collected during the appeal process are not admissible.

J. STATEMENT OF SUFFICIENCY OR INSUFFICIENCY
(CRS 1-40-117)

The Secretary of State will issue a statement of sufficiency or insufficiency no later than thirty calendar days after the petition has been filed.

If the Secretary of State issues a statement of insufficiency, the representatives designated by the proponents pursuant to CRS 1-40-104 may cure the insufficiency by filing an addendum to the original petition for the purpose of offering an additional number of signatures as will cure the insufficiency.

The addendum must be filed with the Secretary of State within a fifteen-day period after the insufficiency is declared and within the time required by the state constitution (at least 3 months prior to the election). All signatures must be affixed during such fifteen-day period. ALL FILINGS MUST BE SUBMITTED BY 3:00 P.M. ON THE DAY OF FILING. After examining the petition, the Secretary of State will issue another statement whether the addendum cures such insufficiency found in the original petition within ten calendar days.

K. PUBLIC ACCESS TO FILED PETITIONS
(CRS 1-40-116(2))

Petitions are not available for immediate public inspection. After the Secretary of State has issued a statement of sufficiency or insufficiency, the public may have access to a specific petition. The same rules apply to addenda filed to cure insufficiencies.

L. PROTESTING THE SECRETARY OF STATE'S DETERMINATION
(CRS 1-40-118)

Any registered elector may appeal the Secretary of State's determination of sufficiency by filing a protest with the Denver District Court. The protest must be filed with the Court within thirty days of the statement of sufficiency or insufficiency.

M. PLACEMENT ON THE BALLOT

A proposal that is found sufficient is then numbered and placed on the ballot. Each proposal is numbered according to the order in which the statement of sufficiency was issued.

COLORADO CONSTITUTION, ARTICLE V, SECTION 1

Legislative Department

Section 1. General assembly - initiative and referendum.

(1) The legislative power of the state shall be vested in the general assembly consisting of a senate and house of representatives, both to be elected by the people, but the people reserve to themselves the power to propose laws and amendments to the constitution and to enact or reject the same at the polls independent of the general assembly and also reserve power at their own option to approve or reject at the polls any act or item, section, or part of any act of the general assembly.

(2) The first power hereby reserved by the people is the initiative, and signatures by registered electors in an amount equal to a least five percent of the total number of votes cast for all candidates for the office of secretary of state at the previous general election shall be required to propose any measure by petition, and every such petition shall include the full text of the measure so proposed. Initiative petitions for state legislation and amendments to the constitution, in such form as may be prescribed pursuant to law, shall be addressed to and filed with the secretary of state at least three months before the general election at which they are to be voted upon.

(3) The second power hereby reserved is the referendum, and it may be ordered, except as to laws necessary for the immediate preservation of the public peace, health, or safety, and appropriations for the support and maintenance of the departments of state and state institutions, against any act or item, section, or part of any act of the general assembly, either by a petition signed by registered electors in an amount equal to at least five percent of the total number of votes cast for all candidates for the office of the secretary of state at the previous general election or by the general assembly. Referendum petitions, in such form as may be prescribed pursuant to law, shall be addressed to and filed with the secretary of state not more than ninety days after the final adjournment of the session of the general assembly that passed the bill on which the referendum is demanded. The filing of a referendum petition against any item, section, or part of any act shall not delay the remainder of the act from becoming operative.

(4) The veto power of the governor shall not extend to measures initiated by or referred to the people. All elections on measures initiated by or referred to the people of that state shall be held at the biennial regular general election, and all such measures shall become the law or a part of the constitution, when approved by a majority of the votes cast thereon, and not otherwise, and shall take effect from and after the date of the official declaration of the vote thereon by proclamation of the governor, but not later than thirty days after the vote has been canvassed. The section shall not be construed to deprive the general assembly of the power to enact any measure.

(5) The original draft of the text of proposed initiated constitutional amendments and initiated laws shall be submitted to the legislative research and drafting offices of the general assembly for review and comment. No later than two weeks after submission of the original draft, unless withdrawn by the proponents, the legislative research and drafting offices of the general assembly shall render their comments to the proponents of the proposed measure at a meeting open to the public, which shall be held only after full and timely notice to the public. Such meeting shall be held prior to the fixing of a ballot title. Neither the general assembly nor its committees or agencies shall have any power to require the amendment, modification, or other alteration of the text of any such proposed measure or to establish deadlines for the submission of the original draft of the text of any proposed measure.

(5.5) No measure shall be proposed by petition containing more than one subject, which shall be clearly expressed in its title; but if any subject shall be embraced in any measure which shall not be expressed in the title, such measure shall be void only as to so much thereof as shall not be so expressed. If a measure contains more than one subject, such that a ballot title cannot be fixed that clearly expresses a single subject, no title shall be set and the measure shall not be submitted to the people for adoption or rejection at the polls. In such circumstance, however, the measure may be revised and resubmitted for the fixing of a proper title without the necessity of review and comment on the revised measure in accordance with subsection (5) of this section, unless the revisions involve more than the elimination of provisions to achieve a single subject, or unless the official or officials responsible for the fixing of a title determine that the revisions are so substantial that such review and comment is in the public interest. The revision and resubmission of a measure in accordance with this subsection (5.5) shall not operate to alter or extend any filing deadline applicable to the measure.

(6) The petition shall consist of sheets having such general form printed or written at the top thereof as shall be designated or prescribed by the secretary of state; such petition shall be signed by registered electors in their own proper persons only, to which shall be attached the residence address of such person and the date of signing the same. To each of such petitions, which may consist of one or more sheets, shall be attached an affidavit of some registered elector that each signature thereon is the

signature of the person whose name it purports to be and that, to the best of the knowledge and belief of the affiant, each of the persons signing said petition was, at the time of signing, a registered elector. Such petition so verified shall be prima facie evidence that the signatures thereon are genuine and true and that the persons signing the same are registered electors.

(7) The secretary of state shall submit all measures initiated by or referred to the people for adoption or rejection at the polls, in compliance with this section. In submitting the same and in all matters pertaining to the form of all petitions, the secretary of state and all other officers shall be guided by the general laws.

(7.3) Before any election at which the voters of the entire state will vote on any initiated or referred constitutional amendment or legislation, the nonpartisan research staff of the general assembly shall cause to be published the text and title of every such measure. Such publication shall be made at least one time in at least one legal publication of general circulation in each county of the state and shall be made at least fifteen days prior to the final date of voter registration for the election. The form and manner of publication shall be as prescribed by law and shall ensure a reasonable opportunity for the voters statewide to become informed about the text and title of each measure.

(7.5) (a) Before any election at which the voters of the entire state will vote on any initiated or referred constitutional amendment or legislation, the nonpartisan research staff of the general assembly shall prepare and make available to the public the following information in the form of a ballot information booklet:

(I) The text and title of each measure to be voted on;

(II) A fair and impartial analysis of each measure, which shall include a summary and the major arguments both for and against the measure, and which may include any other information that would assist understanding the purpose and effect of the measure. Any person may file written comments for consideration by the research staff during the preparation of such analysis.

(b) At least thirty days before the election, the research staff shall cause the ballot information booklet to be distributed to active registered voters statewide.

(c) If any measure to be voted on by the voters of the entire state includes matters arising under section 20 of article X of this constitution, the ballot information booklet shall include the information and the titled notice required by section 20 (3) (b) of article X, and the mailing of such information pursuant to section 20 (3) (b) of article X is not required.

(d) The general assembly shall provide sufficient appropriations for the preparation and distribution of the ballot information booklet pursuant to this subsection (7.5) at no charge to recipients.

(8) The style of all laws adopted by the people through the initiative shall be, "Be it Enacted by the People of the State of Colorado".

(9) The initiative and referendum powers reserved to the people by this section are hereby further reserved to the registered electors of every city, town, and municipality as to all local, special, and municipal legislation of every character in or for their respective municipalities. The manner of exercising said powers shall be prescribed by general laws; except that cities, towns, and municipalities may provide for the manner of exercising the initiative and referendum powers as to their municipal legislation. Not more than ten percent of the registered electors may be required to order the referendum, nor more than fifteen per cent to propose any measure by the initiative in any city, town, or municipality.

(10) This section of the constitution shall be in all respects self-executing; except that the form of the initiative or referendum petition may be prescribed pursuant to law.

As amended November 8, 1910. (See Laws 1910 (Ex. Sess.), p. 11.); as amended November 4, 1980--Effective upon proclamation of the Governor, December 19, 1980. 1-40-105. Filing procedure - review and comment - amendments - filing with secretary of state. (1) The original typewritten draft of every initiative petition for a proposed law or amendment to the state constitution to be enacted by the people, before it is signed by any elector, shall be submitted by the proponents of the petition to the directors of the legislative council and the office of legislative legal services for review and comment. Proponents are encouraged to write such drafts in plain, nontechnical language and in a clear and coherent manner using words with common and everyday meaning which are understandable to the average reader. Upon request, any agency in the executive department shall assist in reviewing and preparing comments on the petition. No later than two weeks after the date of submission of the original draft, unless it is withdrawn by the proponents, the directors of the legislative council and the office of legislative legal services, or their designees, shall render their comments to the proponents of the petition concerning the format or contents of the petition at a meeting open to the public. (3) To the extent possible, drafts shall be worded with simplicity and clarity and so that the effect of the measure will not be misleading or likely to cause confusion among voters. The draft shall not present the issue to be decided in such manner that a vote for the measure would be a vote against the proposition or viewpoint that the voter believes that he or she is casting a vote for or, conversely, that a vote against the measure would be a vote for a proposition or viewpoint that the voter is against.

(4) After the conference provided in subsections (1) and (2) of this section, a copy of the original typewritten draft submitted to the directors of the legislative council and the office of legislative legal services, a copy of the amended draft with changes highlighted or otherwise indicated, if any amendments were made following the last conference conducted pursuant to subsections (1) and (2) of this section, and an original final draft which gives the final language for printing shall be submitted to the secretary of state without any title, submission clause, or ballot title providing the designation by which the voters shall express their choice for or against the proposed law or constitutional amendment.

The title board, by majority vote, shall proceed to designate and fix a proper fair title for each proposed law or constitutional amendment, together with a submission clause, at public meetings to be held at the hour determined by the title board on the first and third Wednesdays of each month in which a draft or a motion for reconsideration has been submitted to the secretary of state. To be considered at such meeting, a draft shall be submitted to the secretary of state no later than 3 p.m. on the twelfth day before the meeting at which the draft is to be considered by the title board. (b) In setting a title, the title board shall consider the public confusion that might be caused by misleading titles and shall, whenever practicable, avoid titles for which the general understanding of the effect of a "yes" or "no" vote will be unclear. The title for the proposed law or constitutional amendment, which shall correctly and fairly express the true intent and meaning thereof, together with the ballot title and submission clause, shall be completed within two weeks after the first meeting of the title board. Immediately upon completion, the secretary of state shall deliver the same with the original to the parties presenting it, keeping the copy with a record of the action taken thereon. Ballot titles shall be brief, shall not conflict with those selected for any petition previously filed for the same election, and shall be in the form of a question which may be answered "yes" (to vote in favor of the proposed law or constitutional amendment) or "no" (to vote against the proposed law or constitutional amendment) and which shall unambiguously state the principle of the provision sought to be added, amended, or repealed.

1-40-106.5. Single-subject requirements for initiated measures and referred constitutional amendments - legislative declaration. (1) The general assembly hereby finds, determines, and declares that:

(a) Section 1 (5.5) of article V and section 2 (3) of article XIX of the state constitution require that every constitutional amendment or law proposed by initiative and every constitutional amendment proposed by the general assembly be limited to a single subject, which shall be clearly expressed in its title;

(b) Such provisions were referred by the general assembly to the people for their approval at the 1994 general election pursuant to Senate Concurrent Resolution 93-4;

(c) The language of such provisions was drawn from section 21 of article V of the state constitution, which requires that every bill, except general appropriation bills, shall be limited to a single subject, which shall be clearly expressed in its title;

(d) The Colorado supreme court has held that the constitutional single-subject requirement for bills was designed to prevent or inhibit various inappropriate or misleading practices that might otherwise occur, and the intent of the general assembly in referring to the people section 1 (5.5) of article V and section 2 (3) of article XIX was to protect initiated measures and referred constitutional amendments from similar practices;

(e) The practices intended by the general assembly to be inhibited by section 1 (5.5) of article V and section 2 (3) of article XIX are as follows:

(I) To forbid the treatment of incongruous subjects in the same measure, especially the practice of putting together in one measure subjects having no necessary or proper connection, for the purpose of enlisting in support of the measure the advocates of each measure, and thus securing the enactment of measures that could not be carried upon their merits;

(II) To prevent surreptitious measures and apprise the people of the subject of each measure by the title, that is, to prevent surprise and fraud from being practiced upon voters.

(2) It is the intent of the general assembly that section 1 (5.5) of article V and section 2 (3) of article XIX be liberally construed, so as to avert the practices against which they are aimed and, at the same time, to preserve and protect the right of initiative and referendum.

(3) It is further the intent of the general assembly that, in setting titles pursuant to section 1 (5.5) of article V, the initiative title setting review board created in section 1-40-106 should apply judicial decisions construing the constitutional single-subject requirement for bills and should follow the same rules employed by the general assembly in considering titles for bills.

The date of the proclamation of the Governor announcing the approval of SCR 93-004 was January 19, 1995.

1-40-107. Rehearing - appeal - fees - signing. (1) Any person presenting an initiative petition or any registered elector who is not satisfied with a decision of the title board with respect to whether a petition contains more than a single subject pursuant to section 1-40-106.5, or who is not satisfied with the titles and submission clause provided by the title board and who claims that they are unfair or that they do not fairly express the true meaning and intent of the proposed state law or constitutional amendment may file a motion for a rehearing with the secretary of state within seven days after the decision is made or the titles and submission clause are set. The motion for rehearing shall be heard at the next regularly scheduled meeting of the title board; except that, if the title board is unable to complete action on all matters scheduled for that day, consideration of any motion for rehearing may be continued to the next available day, and except that, if the titles and submission clause protested were set at the last meeting in May, the motion shall be heard within forty-eight hours after the expiration of the seven-day period for the filing of such motions.

(2) If any person presenting an initiative petition for which a motion for a rehearing is filed, any registered elector who filed a motion for a rehearing pursuant to subsection (1) of this section, or any other registered elector who appeared before the title board in support of or in opposition to a motion for rehearing is not satisfied with the ruling of the title board upon the motion, then the secretary of state shall furnish such person, upon request, a certified copy of the petition with the titles and submission clause of the proposed law or constitutional amendment, together with a certified copy of the motion for rehearing and of the ruling thereon. If filed with the clerk of the supreme court within five days thereafter, the matter shall be disposed of promptly, consistent with the rights of the parties, either affirming the action of the title board or reversing it, in which latter case the court shall remand it with instructions, pointing out where the title board is in error.

(3) The secretary of state shall be allowed a fee which shall be determined and collected pursuant to section 24-21-104 (3), C.R.S., for certifying a record of any proceedings before the title board. The clerk of the supreme court shall receive one-half the ordinary docket fee for docketing any such cause, all of which shall be paid by the parties desiring a review of such proceedings.

(4) No petition for any initiative measure shall be circulated nor any signature thereto have any force or effect which has been signed before the titles and submission clause have been fixed and determined as provided in section 1-40-106 and this section.

(5) In the event a motion for rehearing is filed in accordance with this section, the period for filing a petition in accordance with section 1-40-108 shall not begin until a final decision concerning the motion is rendered by the title board or the Colorado supreme court; except that under no circumstances shall the period for filing a petition be extended beyond three months prior to the election at which the petition is to be voted upon.

1-40-116. Verification - ballot issues - random sampling. (1) For ballot issues, each section of a petition to which there is attached an affidavit of the registered elector who circulated the petition that each signature thereon is the signature of the person whose name it purports to be and that to the best of the knowledge and belief of the affiant each of the persons signing the petition was at the time of signing a registered elector shall be prima facie evidence that the signatures are genuine and true, that the petitions were circulated in accordance with the provisions of this article, and that the form of the petition is in accordance with this article.

(2) Upon submission of the petition, the secretary of state shall examine each name and signature on the petition. The petition shall not be available to the public for a period of no more than thirty calendar days for the examination. The secretary shall assure that the information required by sections 1-40-110 and 1-40-111 is complete, that the information on each signature line was written by the person making the signature, and that no signatures have been added to any sections of the petition after the affidavit required by section 1-40-111 (2) has been executed.

(3) No signature shall be counted unless the signer is a registered elector and eligible to vote on the measure. A person shall be deemed a registered elector if the person's name and address appear on the master voting list kept by the secretary of state at the time of signing the section of the petition. In addition, the secretary of state shall not count the signature of any person whose information is not complete or was not completed by the elector or a person qualified to assist the elector. The secretary of state may adopt rules consistent with this subsection (3) for the examination and verification of signatures.

(4) The secretary of state shall verify the signatures on the petition by use of random sampling. The random sample of signatures to be verified shall be drawn so that every signature filed with the secretary of state shall be given an equal opportunity to be included in the sample. The secretary of state is authorized to engage in rule-making to establish the appropriate methodology for conducting such random sample. The random sampling shall include an examination of no less than five percent of the signatures, but in no event less than four thousand signatures. If the random sample verification establishes that the number of valid signatures is ninety percent or less of the number of registered eligible electors needed to find the petition sufficient, the petition shall be deemed to be not sufficient. If the random sample verification establishes that the number of valid

signatures totals one hundred ten percent or more of the number of required signatures of registered eligible electors, the petition shall be deemed sufficient. If the random sampling shows the number of valid signatures to be more than ninety percent but less than one hundred ten percent of the number of signatures of registered eligible electors needed to declare the petition sufficient, the secretary of state shall order the examination and verification of each signature filed.

1-40-117. Statement of sufficiency - statewide issues. (1) After examining the petition, the secretary of state shall issue a statement as to whether a sufficient number of valid signatures appears to have been submitted to certify the petition to the ballot.

(2) If the petition was verified by random sample, the statement shall contain the total number of signatures submitted and whether the number of signatures presumed valid was ninety percent of the required total or less or one hundred ten percent of the required total or more.

(3) (a) If the secretary declares that the petition appears not to have a sufficient number of valid signatures, the statement issued by the secretary shall specify the number of sufficient and insufficient signatures. The secretary shall identify by section number and line number within the section those signatures found to be insufficient and the grounds for the insufficiency. Such information shall be kept on file for public inspection in accordance with section 1-40-118.

(b) In the event the secretary of state issues a statement declaring that a petition, having first been submitted with the required number of signatures, appears not to have a sufficient number of valid signatures, the representatives designated by the proponents pursuant to section 1-40-104 may cure the insufficiency by filing an addendum to the original petition for the purpose of offering such number of additional signatures as will cure the insufficiency. No addendum offered as a cure shall be considered unless the addendum conforms to requirements for petitions outlined in sections 1-40-110, 1-40-111, and 1-40-113, and unless the addendum is filed with the secretary of state within the fifteen-day period after the insufficiency is declared and unless filed with the secretary of state within the time required by the state constitution before the election at which the initiative petition is to be voted on. All filings under this paragraph (b) shall be made by 3 p.m. on the day of filing. Upon submission of a timely filed addendum, the secretary of state shall order the examination and verification of each signature on the addendum. The addendum shall not be available to the public for a period of up to ten calendar days for such examination. After examining the petition, the secretary of state shall, within ten calendar days, issue a statement as to whether the addendum cures the insufficiency found in the original petition.

1-40-118. Protest. (1) A protest in writing, under oath, together with three copies thereof, may be filed in the district court for the county in which the petition has been filed by some registered elector, within thirty days after the secretary of state issues a statement as to whether the petition has a sufficient number of valid signatures, which statement shall be issued no later than thirty calendar days after the petition has been filed. If the secretary of state fails to issue a statement within thirty calendar days, the petition shall be deemed sufficient. During the period a petition is being examined by the secretary of state for sufficiency, the petition shall not be available to the public; except that such period shall not exceed thirty calendar days.

COLORADO REVISED STATUTES, TITLE 1, ARTICLE 41

Odd-Year Elections

1-41-101.	Legislative declaration.	1-41-103.	Local ballot issue elections in odd-numbered years.
1-41-102.	State ballot issue elections in odd-numbered years.		

1-41-101. Legislative declaration. The general assembly hereby finds, determines, and declares that section 20 of article X of the state constitution requires that a ballot issue election be held on the first Tuesday in November of odd-numbered years; that the provisions of section 20 (2) and 20 (3) of said article X are unclear as to what issues can be submitted to a vote in the odd-year election; that section 20 of article X did not amend preexisting provisions of the state constitution on the initiative, the referendum, and the submission of constitutional amendments by the general assembly, and repeal or amendment of such provisions by implication is not presumed; that this legislation implements section 20 of article X of the state constitution, which article is entitled "Revenue" and concerns exclusively government revenue raising and appropriations; that section 20 of article X requires public votes on additional government taxes, spending, or debt; that the language of section 20 of article X evinces the public's desire to have more opportunity to vote on government tax, spending, and debt proposals; that a construction of section 20 of article X that limits local government electors' opportunities to vote on tax, spending, debt, or other proposals would be inconsistent with the ballot title of and the voters' intention in adopting said amendment; that state and local election officials need guidance as to how to administer the November 1993 election; and that, in view of the issues set out in this section, the general assembly should exercise its legislative power to resolve the ambiguities in section 20 of article X in a manner consistent with its terms.

Source: L. 93: Entire article added, p. 1993, § 1, effective June 8.

1-41-102. State ballot issue elections in odd-numbered years. (1) At the statewide election to be held on the first Tuesday of November in 1993, and in each odd-numbered year thereafter, the following issues shall appear on the ballot if they concern state matters arising under section 20 of article X of the state constitution and if they are submitted in accordance with applicable law:

(a) Amendments to the state constitution submitted by the general assembly in accordance with article XIX of the state constitution;

(b) State legislation and amendments to the state constitution initiated in accordance with section 1 of article V of the state constitution and article 40 of this title;

(c) Measures referred to the people by the general assembly in accordance with section 1 of article V of the state constitution;

(d) Measures referred to the people pursuant to petitions filed against an act or item, section, or part of an act of the general assembly in accordance with section 1 of article V of the state constitution;

(e) Questions which are referred to the people by the general assembly in accordance with the law prescribing procedures therefor;

(f) Questions which are initiated by the people in accordance with the law prescribing procedures therefor.

(2) If no questions concerning state matters arising under section 20 of article X of the state constitution are referred or initiated as provided in subsection (1) of this section, no statewide election shall be held on the first Tuesday of November in 1993, or on the first Tuesday in November of any subsequent odd-numbered year.

(3) As used in this section, a "question" means a proposition which is in the form of a question meeting the requirements of section 20 (3) (c) of article X of the state constitution and which is submitted in accordance with the law prescribing procedures therefor without reference to specific state legislation or a specific amendment to the state constitution.

(4) As used in this section, "state matters arising under section 20 of article X of the state constitution" includes:

Rule 15. Rules Concerning Preparation and Filing of Statewide Initiative Petitions

- 15.1 Each petition section shall have on it a consecutive four-digit number. The number may be printed by a printer, hand-stamped with a manual stamp, or handwritten.
- 15.2 The lines on the petition section shall be consecutively numbered.
- 15.2.1 The block of information which consists of the printed last name, first name, middle initial, county, signing date, street address, city and signature is considered a line.
- 15.3 No petition shall be accepted which lists proponents other than the two identified as petition representatives pursuant to C.R.S. 1-40-104.
- 15.4 Proponents may begin circulating a petition for signatures at any time after the final decision of the title board, including disposition of any motion for rehearing or the expiration of the time for filing a motion for rehearing, and after the Secretary of State has approved the format of the petition as provided in section 1-40-113 (1). C.R.S., whether or not an appeal is filed with the Supreme Court pursuant to section 1-40-107 (2). The six-month period specified in section 1-40-108 (1) shall begin on the date that the first signature is affixed to the petition or, in the case of an appeal to the Supreme Court, on the date that the decision of the Supreme Court becomes final, whichever date occurs first. Signatures shall be counted only if affixed to the petition during the period provided in this rule.
- 15.5 Only one filing of a petition or an addendum is allowed. After a petition or an addendum is filed, the petition or the addendum may not be supplemented with additional signatures. If additional signatures are submitted after the original filing, such signatures shall not be counted, even if such signatures are submitted within the time permitted by law for the filing of the original petition or addendum.

Rule 16. Rules Concerning Verification by Random Sample of Statewide Initiative Petitions

- 16.1 Preliminary count and generation of random numbers.
- 16.1.1 When the petitions are received, each section shall be consecutively numbered.
- 16.1.2 Each line with writing shall be counted on each petition and shall be considered an entry. The number of entries for each page of the section shall be written on the page, and the total entries for the section shall be written on the face of the petition section.
- (a) A line which has no writing or marks on it shall not be considered an entry.
- (b) A line which has writing on it but is completely crossed out shall not be considered an entry.
- (c) A line which has writing on it but is incomplete or on its face contains an invalid signature or which is partially crossed out shall be considered an entry to be included in this count.
- 16.1.3 After the entries have been counted for each petition section, a data entry clerk shall enter the following data into the computer; the petition identification number, the petition section number, the page number and the number of entries on the page.
- 16.1.4 The computer shall then create a record for each entry which record shall contain the petition identification number, petition section number, page number and the entry number. The total number of entries submitted for the petition shall be tallied.
- 16.1.5 If the number of entries is less than the total number of signatures required to certify the measure to the ballot, a statement of insufficiency shall be issued.

- 16.1.6 A series of random numbers shall be generated by the computer which is the greater of four thousand signatures or five percent of the total number of entries.
- 16.2 Verification of selected entries.
- 16.2.1 The random numbers selected shall be matched with the appropriate petition section, page number and entry number.
- 16.2.2 Each entry generated shall be checked for validity in accordance with Rules 22.3.3 and 22.3.4:
- (a) Evidence of disassembly of the petition;
 - (b) The circulator's affidavit does not meet the requirements of statute or rule;
 - (c) The individual entry does not meet the requirements of statute or rule.
- 16.2.3 Each reason for rejection of an entry shall be recorded by separate code and a master record of the rejected entries shall be maintained. A master record shall also be maintained of each entry which is accepted.
- 16.3 Each section shall be checked for evidence of disassembly. If it appears that the section was disassembled, the entry shall be rejected.
- 16.4 Checking the circulator's affidavit.
- 16.4.1 The circulator's affidavit shall be checked for each entry. If the affidavit is not attached and completed, the entry shall be rejected.
- 16.4.2 The notary clause at the end of the affidavit shall be checked for each entry. If any information is missing or if the date on the notary clause is not the same date as the circulator signed the affidavit, the entry shall be rejected.
- 16.4.3 The name of each circulator shall be checked to assure that the circulator was a registered elector at the time that the signatures were gathered. If the circulator was not a registered elector, the entry shall be rejected.
- 16.4.4 If the information on the current voter registration file does not match the information on the entry, the circulator's voter registration history shall be checked to determine if the information on the affidavit matches the voter registration file at the time the entry was signed.
- 16.5 Checking individual signatures.
- 16.5.1 Each individual entry shall be checked against the master voter registration files.
- 16.5.2 If the information on the current voter registration file does not match the information on the entry, the elector's voter registration history shall be checked to determine if the information on the entry matches the voter registration file at the time the entry was signed.
- 16.5.3 Name of registered elector: to be accepted, the name on the entry must be found in form similar to that found on the voter registration record. Signatures which are common variants of the name found on the voter record shall be counted. If the signer of the petition is not found on the voter registration file, the entry shall be rejected.
- 16.5.4 Middle initial and additional terms.
- (a) If the middle initial or middle name is not part of either the signature line or the voter record but is included on the other document, if the first and last name are the same on both documents, the entry shall be accepted.
 - (b) If the middle initial or middle name on the signature line is different than the middle initial or middle name on the voter record, the entry shall be rejected.

(c) If an indicator such as Jr., Sr. or II is present or omitted from the petition or the voter record, the entry shall be accepted. If two persons with the same name reside at the same address as found on the master voter list, the entry shall be rejected, unless the identity of the signer can be conclusively determined.

16.5.5 Address of registered elector.

(a) If the address written on the line does not match the address on the voter record or on the voter history for the date when the signature was taken, the entry shall be rejected.

(b) If the address on the petition either includes or omits a letter or number identifying an apartment or the directional location of a street, such as “E” for east, “SW” for southwest, etc., the entry shall be accepted.

(c) If the signer has a post office box for the address, the entry shall be rejected.

16.5.6 Incomplete information: if the line on the petition is incomplete, with at least one piece of information omitted, the entry shall be rejected.

16.5.7 Date of signing.

(a) If a signature is placed on the petition prior to the final approval of the petition format by the designated election official, the entry shall be rejected.

(b) If the signer is placed on the petition after the date on the circulator’s affidavit, the entry shall be rejected.

16.5.8 Assistance to signer: if assistance appears to have been given to the signer and no statement of assistance accompanies the signature or mark explaining the variance in the script, the entry shall be rejected.

16.5.9 Illegible signature: if the signature and printed name are illegible so that the voter record cannot be verified, the entry shall be rejected.

16.5.10 Duplicate signature: if the elector had previously signed the same petition, the first valid entry shall be counted and all other entries shall be rejected.

16.6 Computation of total accepted signatures.

16.6.1 A tally shall be made of the number of accepted signatures and the number of rejected signatures.

16.6.2 The Secretary of State shall determine the range of signatures by multiplying the constitutionally required number of signatures by 0.90 to compute 90% of the required signatures and by 1.10 to compute 110% of the required signatures. This number shall be calculated once every four years after the general election at which the Secretary of State was elected.

16.6.3 After completing a petition, the number of signatures checked shall then be divided into the number of accepted signatures. This number will be the percentage of accepted signatures which were submitted.

16.6.4 The percentage calculated in Rule 16.6.3 shall then be multiplied by the total number of entries which were previously tallied. This number will be the number of presumed valid signatures which were submitted.

16.6.5 If the number generated is 90% or less of the constitutionally required number of signatures as calculated in Rule 16.6.2, then the Secretary of State shall issue a statement of insufficiency. If the number generated is 110% or more of the constitutionally required number, then the Secretary of State shall issue a statement of sufficiency.

16.6.6 If the number generated is more than 90% but less than 110% of the required number, the Secretary of State shall order that each signature on the petition be verified to determine whether the issue or question should be certified to the ballot.

Rule 17. Rules Concerning Verification of All Signatures

- 17.1 Rules concerning verification of statewide initiative petitions when all signatures are counted.
- 17.2 The process for checking all signatures shall be the same as for random sample of checking, with the following exceptions.
- 17.3 Each petition section shall be checked for evidence of disassembly. If it appears that the section was disassembled, all signatures on the petition section shall be rejected.
- 17.4 Checking the circulator's affidavit.
- 17.4.1 Each petition section shall be checked for the completed circulator's affidavit. If the affidavit is not attached and completed, all signatures on the section of the petition shall be rejected.
- 17.4.2 Each petition section shall be checked to assure that the notary clause at the end of the affidavit is completed. If any information is missing or if the date in the notary clause is not the same date as the circulator signed the affidavit, all signatures on the section of the petition shall be rejected.
- 17.4.3 Except in the case of initiative petitions, the name of each circulator shall be checked to assure that the circulator was a registered elector at the time that the signatures were gathered. Any signatures gathered while the circulator was not a registered elector shall be rejected.
- 17.5 Each individual entry shall be verified using the same criteria as found in Rule 16.5.
- 17.6 Final Tally: After all of the sections have been checked, a final tally of all valid signatures shall be prepared and the statement of sufficiency issued.

Rule 18. Rules Concerning Statement of Sufficiency

- 18.1 Within the time required by statute, the Secretary of State shall issue a statement of sufficiency or insufficiency.
- 18.2 The statement shall contain the name of the petition, the proponents, and the date the petition was submitted for verification.
- 18.3 The statement shall indicate the total number of entries, the total number of entries accepted, and the total number of entries rejected.
- 18.4 The statement shall indicate whether an insufficient number of entries was submitted, the number of presumed valid signatures if a random sample was conducted, and the number of valid signatures counted if every entry was counted.
- 18.5 Records: The designated election official shall assure that a record of all signatures rejected and the reasons for each rejection be maintained as public records.

Rule 19. Rules Concerning Cure

- 19.1 Cure of petitions deemed insufficient.
- 19.2 If the proponents submit additional signatures within the permitted time, all signatures submitted in the addendum shall be checked using the process delineated in Rule 16 and Rule 17.
- 19.3 If the number of valid signatures in the addendum when added to the number of valid signatures given in the statement of insufficiency equals 110% or more of the required signatures, a statement of sufficiency shall be issued.
- 19.4 If the number of valid signatures in the addendum when added to the number of valid signatures given in the statement of insufficiency equals more than 90% but less than 110% of the required signatures and the initial check was by random sample, all of the previously submitted entries shall be checked. The total of valid

signatures in the original petition shall then be added to the number of valid signatures submitted in the addendum.

19.5 If the initial check was of every entry, then the total of valid signatures shall be added to the number of valid signatures submitted in the addendum.

19.6 The designated election official shall then issue a new statement of insufficiency or sufficiency which reports the total number of valid signatures submitted.

Rule 20. Rules Concerning Protests

20.1 Protests of statewide initiative petitions.

20.2 Protest of random sampling process.

20.2.1 Proponents and opponents may protest the process by which the numbers used in the calculations were generated.

20.2.2 Proponents and opponents may protest that the process used for determining entries and generating the random sample did not meet the requirements established by statute or rule.

20.2.3 Proponents and opponents may protest that entries were improperly accepted or rejected in that the requirements established by statute or rule were improperly applied.

(a) If the protest alleges that individual entries were improperly accepted or rejected, each individual entry must be listed and the reason for challenge must be given.

(b) The reason for challenge must state which of the requirements established by statute or rule were improperly applied.

20.2.4 Individual entries which were not checked by the Secretary of State may not be challenged as sufficient or insufficient.

20.3 Protest of petitions when all signatures are checked.

20.3.1 Proponents and opponents protesting the checking of petitions when each signature was checked must list each individual entry being protested and the reason for challenge.

20.3.2 The reason for challenge must state which of the requirements established by statute or rule were improperly applied.

20.3.3 The protest shall be deemed insufficient for each entry or class of entries challenged where the individual entry is not listed or the reason for the challenge is not given.

Rule 21. Rules Concerning Ballot Issue Elections

21.1 Placing measures on the ballot for coordinated odd-year elections.

21.1.1 For statewide elections, the Secretary of State shall be responsible for determining whether the proposed initiative concerns state matters arising under Section 20 of Article X of the State Constitution and as thus is eligible to appear on the ballot at an odd-year election.
